

*I love my pets  
every single one  
even my three-legged dog  
is a ton of fun*

She likes to play with my Pomeranian  
wrestle with my Labrador  
tickle my Chihuahua  
and she always comes back for more

Chases my dog named Emu  
Gets stuck in the doggie door  
Bites my German Shepherd  
when she's sleeping on the floor

CHORUS

She plays with my Jack Russell Lilly  
Swims with my golden retriever  
Hops around and acts so silly  
She's quite an over-achiever

My pit bull and my poodle,  
like to fight over her toys  
While my husky floats on a noodle  
and makes a howling noise.

CHORUS

She hunts with my black mouth cur,  
My Doberman and dachshund,  
Comes home with matted fur.  
Hangs out with my cat  
While she gives her a bath
